PCHA MEDAL FINALS

130. PCHA HORSEMANSHIP FINALS, 14 & UNDER

Fences 3'3"

Entry Fee - \$150

Eligibility - Any rider who has qualified for the PCHA Horsemanship Class Finals during the year following the previous PCHA Horsemanship Class Finals competition.

The same horse must be ridden through all phases of the competition. However, due to illness or injury of the horse, a rider may petition to ride a substitute horse, but this must be approved by the Appeals Committee consisting of the Manager, the Chief Steward, the Technical Delegate, and the Official Horse Show Veterinarian.

Schooling - Only material provided or previously approved by the organizing committee may be used, and must be available for all competitors to use while warming up. **Starting thirty (30) minutes prior to the competition and while the class is in progress, medal horses may jump in the designated schooling area only. This rule includes the Finals Warm-Up Round. If a medal competition horse jumps in an area other than the designated schooling area during that time, the medal class exhibitor will get a zero score for that round.** Anyone can ride in the designated schooling area on a medal finalist's horse.

Course - Three (3) rounds, consisting of a course of at least eight fences about 3'3" in height. There must be one combination, at least 2 changes of direction and 2 tests (USEF 1-18) included as part of the original course. Course designer(s) must confer with the judges during the course walk set aside for them exclusively. Judges should review the course and suggested tests, and may make modifications in conjunction with the course designer prior to the general course walk and posting of the course.

Judging - There will be 2 judges using the same open numerical system. Judges may use whole numbers or any fraction thereof; however, if necessary judges may use the same score more than once. The rider's score in each round will be an average of each judge's score. During the three (3) rounds, the judges will sit apart. If a fourth round (work-off) is necessary, the judges will sit together.

Competition -

Round 1: All eligible riders; order of go will be drawn. Ribbons awarded through 10th place. Ties will remain tied and riders will flip for ribbons.

Round 2: All riders will return for Round 2. The order of go for Round 2 will be a simple jumper rotation of the first round, regardless of any scratches. Example: If there is a class of 45 riders in the 1st round, divide by 2 and round to the higher number (23.) Thus, the 2nd round will run with 24th through 45th followed by 1st through 23rd. Ribbons awarded through 10th place. Ties remain tied and riders will flip for ribbons.

Round 3: The top 12 riders from Rounds 1 and 2 and any additional riders with a score of 80 or better will be eligible to ride in Round 3. The average from Round 3 will be averaged with the combined average from Rounds 1 and 2.

The rider's combined average will be used to establish the order of go - lowest first, highest last. In case of ties, the order will be the order of Round 1. After completion of the final round, any riders having less than three (3) points separating them from the leader will be required to perform additional tests at the discretion of the judges. All riders will remain in the ring with no additional schooling allowed. Finals work-off score is not to be announced, and will be added to the rider's total. Ties in Round 3, not involving 1st place, will be broken by using the rider's scores in Round 2.

Schedule & Awards - Order of go will be drawn at a complimentary buffet dinner sponsored by the Tuffli Family Foundation for the Finalists and three guests on Friday afternoon, following the conclusion of the horse show classes.

This rule includes the Finals Warm-Up Round. If a medal competition horse jumps in an area other than the designated schooling area during that time, the medal class exhibitor will get a zero score for that round.** Anyone can ride in the designated schooling area on a medal finalist's horse.

Competitors will not be asked to mount, dismount, or jump without stirrups. Riders will not be asked to change horses.

Judging - There will be 2 judges using the open numerical system. The rider's score in each round will be an average of each judge's score. During the 2 rounds, the judges will sit apart. If a third round (work-off) is necessary, the judges may sit together.

Competition -

Round 1: All eligible riders; order of go will be drawn. Ribbons awarded through 10th place. This round will count 50%.

Round 2: This round will also count 50%. Ribbons will be awarded through 10th place.

LIMITATIONS ON ENTRIES

Management reserves the right to limit entries in any class per GR915. Refused entries will be returned.
Post entries will not be allowed unless time permits.

5. REFUNDS

Before the closing of entries, all fees shall be refunded. After the closing of entries, prior to arrival on the show grounds, entry fees shall be refunded only upon presentation of a statement signed by a veterinarian (or medical doctor in the case of an amateur owner or equitation rider) stating that the horse (rider) is unable to perform in the classes entered. **STALL FEES ARE NOT REFUNDABLE UNDER ANY CONDITIONS, AND A \$50 FEE WILL BE ASSESSED ON ALL REFUND REQUESTS.** All scratches must be submitted in writing to be considered for a refund; phone call scratches will not be considered. **ALL REFUND REQUESTS MUST BE SUBMITTED BEFORE SEPTEMBER 10, 2017. NO REFUNDS WILL BE AUTHORIZED AFTER THE HORSE SHOW HAS CONCLUDED. MEDAL CLASS FEES WILL NOT BE REFUNDED.**

Once the horse has arrived on the show grounds, only a statement signed by the official horse show veterinarian, physician or paramedic shall be accepted with the refund request. Once the show has started, horses that are not shown in classes in which they are entered forfeit their entry fees, unless the horse has been scratched prior to the start of the classes, in order to qualify for a refund. In all classes offering prize money, only the add-back monies will be refunded, providing proper procedures have been followed as listed above. In divisions that are entered by complete section, no refund will be considered if the horse shows in any class of the division. The only other refunds given will be cancellation of a class by management, overpayment of fees, or the rejection of entries because of ineligibility or lack of stall space. If a junior rider becomes ineligible to ride in a medal class due to having qualified for the finals after the close of entries for this horse show, refund of medal class entry fee shall be made. No other base entry fee is refundable. If an A/O has a doctor's certificate indicating that the person is too ill to ride, that A/O rider shall receive a refund of the add-back money. No base entry fees will be refundable.

6. TRANSFERS & SUBSTITUTIONS

The transfer of horses and/or riders from one class or division to another will be allowed under the following circumstances:

- a) The Horse Show Office is notified the day preceding the transfer.
- b) Full credit will be given for the scratched class or division, but post entries must be paid for on all added classes.
- c) No refund will be given if the horse does not use up his transfer credit.

7. PRIZES

All class winners will receive a trophy and ribbons through 8th place in addition to any prize money. Prize money will pay to 5th place: 30%, 25%, 20%, 15%, and 10%, excepting special classes. Prize money will be paid by check to owners within four weeks of the show's conclusion. **NO PRIZE MONEY WILL BE MAILED UNLESS THE OWNER'S SOCIAL SECURITY NUMBER IS LISTED ON THE ENTRY BLANK.**

ADD BACK MONEY: In classes with add-back money, prize money is computed from the number of horses that actually show. Horses entered, but not showing up, will forfeit their add-back money with the following exception: if an exhibitor scratches a class by noon the day preceding the class, the add-back money for that class will be credited to the exhibitor's account.

8. RESPONSIBILITY AND PAYMENT OF SERVICES & SUPPLIES

All owners and exhibitors will be held responsible for any damage incurred by them, their agents or employees to stalls, buildings and other properties on the show grounds and shall be billed accordingly. All bills for veterinary, farrier services and feed are due and payable during the show. The management and Board of Directors and/or Horse Show Committee reserve the right to deduct any unpaid veterinary, farrier, and feed bills from premium money due the exhibitor. Any exhibitor not meeting his obligations to the official veterinarian, farrier and feed man will be termed an undesirable exhibitor and entry from that exhibitor will not be accepted at subsequent shows.

9. MINOR EXHIBITORS

Parents or guardians of a minor exhibitor shall hold Equestrian Enterprises, PCCH, and Show management harmless for injury to such minor. No child's entry will be accepted unless their entry blank is signed by a parent or guardian. The signature of instructors, agents, or other unrelated persons will not be acceptable.

10. MANAGEMENT

The Horse Show Management reserves the right to itself to interpret all questions and conditions in regards to or arising out of an incident at the show without claims for damages or recourse of any kind. All questions not covered in these rules and regulations shall be decided by the Horse Show Management, their decision to be final. The Horse Show Management reserves the right to refuse, accept conditionally, or to cancel any entries, disqualify riders or exhibitors, prohibit exhibition of entries, and cancel award prizes, without claim for damages; to change any course, to cancel or combine any unfilled classes or to reschedule classes, after due notice to exhibitors; to change rings or judges; to change specifications in jumper classes in order to facilitate the time schedule. If there are four or more entries in an "A" rated hunter section, said section will not be cancelled.

11. JUDGES

It is the purpose of the Management to run the Horse Show in the highest possible level of sportsmanship. The Management uses the upmost care to select judges with broad experience and knowledge. The Judges' decisions in the show ring are their own responsibility and the Management accepts no responsibility for those decisions.

12. PROTESTS

See GR603 for details. Any rider, handler, vaulter, exhibitor, owner, agent, trainer or the parent of a junior exhibitor or any Life, Senior, or Junior member present at the competition may file a protest with the Show Committee of a Licensed Competition or The Federation Hearing Committee alleging violation of any Federation rule(s). The protest must contain all information as specified in GR 602.1.

13. STABLING

Stalls, whether occupied by horses, feed or tack will be available for \$250 each, no first bedding is included. Stalls are of wood or canvas construction 9.6' x 9.6' with doors. Horses must be washed in designated wash racks and not in the barn aisles. **NO STRAW BEDDING WILL BE PERMITTED AND ONLY SHAVINGS WILL BE PERMITTED.**

IMPORTANT NOTICE!

Only 1 tack or groom stall will be allotted for every five horses entered, due to extremely limited stabling. Groom's Parking Passes will be given for every five horses entered. Passes will be numbered and recorded at the horse show office.

14. DAMAGES

Owner and Exhibitors shall be held responsible for damage caused by them, their agents, or employees to stalls, buildings and other properties on the show grounds, and shall be billed accordingly.

15. HORSE RECORDING REQUIREMENTS

In all Hunter Championships, the title shall be awarded to two of the four horses which have acquired the most points over fences. In addition to these points, only these four horses shall receive full points for ribbons won in under saddle classes. (MINIMUM OF \$25)** Accounts will be given ten days to be paid in full with cash or cash equivalent or they will be turned in to the USEF and the PCHA for further disciplinary action.

20. CONDITION OF ENTRY AND ASSUMPTION OF RISK

Every horse entered for competition will be under the control of Horse Show Management, but the Horse Show Management will, in no case, be responsible for any loss or damage that may occur and it shall be a condition of entry that each exhibitor shall hold the Horse Show (competition) and its' officials, employees, directors, officers, Portuguese Bend National Horse Show, Peninsula Committee Children's Hospital, Equestrian Enterprises, Inc., Children's Hospital Los Angeles, the City of Rolling Hills Estates, and sponsoring entities harmless for any loss or accident to his/her horse, employees or equipment which may occur from sickness, fire or other cause.

By signing the entry blank, the Owner, Lessee, Trainer, Manager, Agent, Coach Driver, Handler, Vaultor or Longeur acknowledges that horseback riding, particularly jumping, is a dangerous activity and involves inherent risks that may cause serious injury, and in some cases death, because of the unpredictable nature and irrational behavior of horses, regardless of their training and past performance, and expressly assumes all such inherent risks whether identified herein, in the entry blank or in the Federation Rules and Regulations. A horse, without warning or any apparent cause, can buck, stumble, fall, rear, bite, kick, run, make unpredictable movements, spook, jump obstacles, step on a person's foot, or push a person, all of which may cause the rider or observer to fall, be jolted, resulting in serious injury or death. A horse may also become loose and cause injury to the observer or rider or to another horse – a loose horse can run at a full gallop in a panic and run into objects, or persons or other horses. **The Show Ground Facilities** are bordered by highways & roads and thus noise from the traffic and other sources occur that can and will cause a horse to unexpectedly spook and react quickly. **The Show Ground Facilities** contain roads and driveways that are traversed by cars, golf carts, tractors, trailers, and heavy equipment, all of which may spook a horse. The above warnings and risks are meant as an example of some of the risks that are inherent and may be encountered, but it is agreed this is not an exhaustive list and there are numerous additional conditions, and/or events that may result in injuries while participating in the Competition and/or being present on the **Show Ground Facilities**.

21. UNPAID CHARGES

Any exhibitors leaving the show with unpaid entry fees will be billed for these charges and a \$50 billing fee will be added to the total due.

22. CLOSED RINGS

Horses are not permitted in arenas when course is set or in the process of being set for an upcoming class. VIOLATIONS of the above WILL be considered cause for elimination from the show and/or a \$100 fine.

23. COURSES

Courses may consist of any combination of the following: brush, gates, oxers, post & rails, water, liverpools, ditch, walls, panels, banks, and coops. The Horse Show Management reserves the right to adjust fence heights or spreads as competition warrants.

24. NUMBERS

Management will provide a number card for each competitor which shall be worn on the rider's back, clearly visible to the judge at all times when in competition. Riders wearing the wrong number, or no number at all, MAY be eliminated from the class by the judges.

25. CONFLICTS

It is the intention of management to avoid holding rings to wait for horses and/or riders. Competitors with conflicts must arrange their jumping order with the starters so that they will not hold up a class. Starters have the authority to scratch competitors who are not timely.

26. DOGS!!!

Dogs are a serious safety problem at a horse show. All exhibitors are urged to leave their dogs at home. Management reserves the right to call Animal Control if necessary. **ALL DOGS AND OTHER PETS MUST BE ON LEASHES AT ALL TIMES!!!**

27. MOTORIZED VEHICLES

Minors who do not have a valid driver's license, which allows them to operate a motorized vehicle in the state in which they reside, will not be permitted to operate a motorized vehicle of any kind, including, but not limited to, golf carts, motorcycles, scooters, or farm utility vehicles, on the competition grounds of licensed competitions. Minors who have a valid temporary license may operate the above described motorized vehicles as long as they are accompanied by an adult with a valid driver's license. **The parent(s), legal guardian(s), or individual who signs the entry blank as a parent or guardian of a minor operating a motorized vehicle in violation of this rule are solely responsible for any damages, claims, losses, or actions resulting from that operation.** Violations of this rule will be cause for sanctions against

the parent(s), guardian(s), and/or trainer(s), who are responsible for the child committing the offense. Penalties may include exclusion of the child, parent(s), guardian(s), and/or trainer(s) from the competition grounds for the remainder of the competition and charges being filed against any of the above individuals in accordance with Chapter 6. Wheelchairs and other assistance devices for individuals with disabilities are exempt from this rule.
