

Children's Hospital Los Angeles – South Bay Opens!

on February 11, 2013

On Feb. 4, 2013, CHLA opened the doors of a third outpatient center to expand access to our special brand of care. Children's Hospital Los Angeles – South Bay will now offer the best health care for kids in California to families who live in the cities of El Segundo, Hermosa Beach, Manhattan Beach, Palos Verdes, Redondo Beach and Torrance.

Address

3440 Torrance Blvd., Ste. 100
Torrance, CA 90503

Many thanks to the physician experts who will be providing services to families at this new location, including:

- Cardiology, Frank Ing, MD, and Pierre Wong, MD
- Endocrinology, Clement Cheung, MD
- Gastroenterology, Harry Cynamon, MD, and Sonia Michail, MD
- Neurology, Nusrat Ashan, MD
- Ophthalmology, Thomas Lee, MD
- Orthopaedics, Bianca R. Edison, MD
- Otolaryngology, Ankur Patel, MD
- Plastic Surgery, Murtaza Rizvi, MD, and William MaGee III, MD
- Pulmonology, Roberta Kato, MD
- Urology, Roger De Filippo, MD, and Paul Kokorowski, MD

Thanks to the many individuals and departments who contributed to this effort. It takes a village to launch a new ambulatory care center with input from leaders and employees from across the entire organization, Strategic efforts such as the South Bay opening help us lay the foundation of our hospital's future success by expanding access to our brand of care for patients and families who need us most.
