The weekend of September 8, 9, 10, 2023 marks the return of the Portuguese Bend National Horse Show. This major fundraising event of Peninsula Committee Children's Hospital will support The Associates Chair in Endocrinology and The Associates Chair in Transplant Surgery at Children's Hospital Los Angeles.

Children's Hospital Los Angeles is dedicated to creating hope and building healthier futures for children. Founded in 1901, CHLA is one of the nation's leading pediatric academic medical centers and is acknowledged worldwide for its leadership in pediatric and adolescent health. The hospital relies on the generosity of the community to support its groundbreaking pediatric research and the complex care it provides for critically ill and injured children.

For three days, this A-rated national horse show will have two fully scheduled rings offering a wide variety of classes, including the prestigious PCHA Horsemanship Medal Finals for riders 14 and under and 18-34, as well as the PCHA Victor Hugo-Vidal Adult Horsemanship Class for riders 35 and over. In addition, the \$10,000 Harman Jr.-A/O Jumper Classic and the \$15,000 Seahorse Jumper Classic promise to challenge some of the West Coast's finest riders with difficult and exciting courses.

The Peninsula Committee Children's Hospital is unique in that entire families become involved in the colorful show. They provide planning, preparation and personnel to staff the event, and in the process, they give over 15,000 volunteer hours each year. An atmosphere of hometown fun is created through the decorations, booths and boutiques. Puppet shows, pony rides, and face painting are just some of the popular activities of the Children's Circle. Many food booths entice the crowds with items for breakfast, lunch and snacks.
